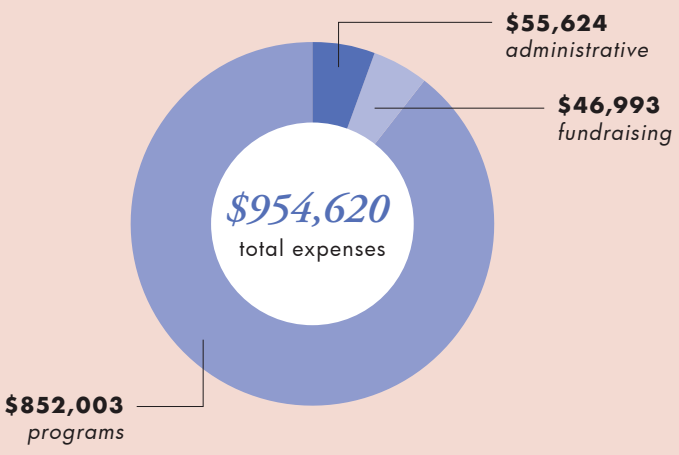
2017 EXPENSES



95.4% of funds from outside donors went to CORE's program of granting support to children of food and beverage service employees navigating life-altering circumstances.

"**Let me start off with how appreciative Suehay and I are.** Thank you so much for the peace of mind you have given us. It's not an easy journey but we are happily taking this trip. Thanks a million!"

SUEHAY AND IRENE

"**Thank you for the gracious gift you have given to our family, our business and our beloved Troy.** This whole experience has been ineffable.... Every time I get to that point of giving up angels appear. I wasn't only physically tired I was weighed down with grief and the emotions of 'what am I going to do?' Then the phone rings! Can you imagine! Hope called me yesterday. CORE gave me hope. The desire to pick up the pieces and keep 'moving forward.' The blessings continued to flow and it started with your call."

MIA, RYAN & JAVON

"**I can NOT express my gratitude for CORE!** If it weren't for their AMAZING and GENUINE staff, I'm not sure how we would have survived, not just monetarily, but emotionally too. I will forever be grateful for CORE. They truly made one of the most adverse and difficult times in our lives much easier and less burdensome. We LOVE CORE!"
