"I'm so grateful to know CORE specifically creates pathways for restaurant families who don't always have access to benefits and safety nets when a tragedy strikes. Grieving while trying to recalibrate financially is a surreal process. CORE's support allows me to take a needed breath. We will forever remember your kindness and willingness to help."

- Linda A

"CORE cares 100%, they're passionate and this is real. I love CORE. I hope that everyone continues to support them so that they can help those in need. I am grateful, thankful. I'm a supporter and a believer. You saved me."

- Tyisha R

"Please continue to support families like ours. My husband was a devoted restaurant manager. He spent his life serving others; feeding them; creating memories. Thank you for taking care of us like he would have if he were still alive."
